Just for Today

Tuition Fees

While experience is the best teacher, in business, it's smarter to pay for someone else's experience!

Just for today, make a list of the things you need to know to take your business to the next level. Beside each item, write down the name of the person/book or workshop that will give you that information. Then take action.

Angela Sutcliffe-Shea

Inspiration from a Business Coach

Share your personal "aha". Let me know what worked for you: [Feedback](#)
