Workshop: A Business Plan for People who Hate Business Plans

Business Plan for People who Hate Business Plans

Workshop Duration: 3 days

Workshop Description

Writing a business plan doesn't have to be a time-consuming, complicated ordeal. In our rapidly changing marketplace businesses that thrive are those who have a basic plan that is the foundation for managing and growing the business over the next year. This plan serves as a guide to running the business, managing the client base, marketing for new business and achieving financial goals. It should serve as your inspiration and motivation for growth.

Who Should Attend

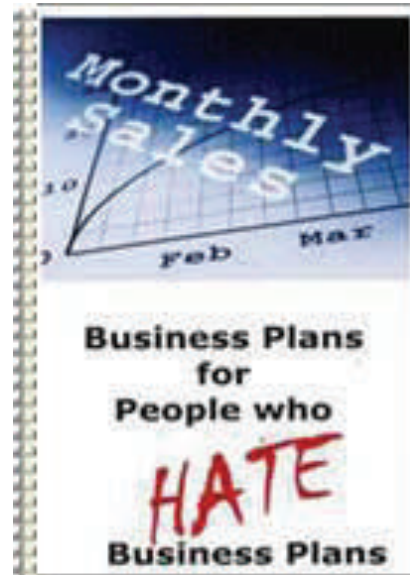

Small business owners, independent sales professionals, brokers, non profit organizations and associations.

What You Will Learn

- How to operate in a rapidly-changing market
- Where you are positioned right now
- How to manage your business for growth

At the end of this workshop, you will be equipped with:

- An immediately implementable action plan
- A basic marketing strategy
- An operating system for managing your business
