Workshop: Home Office: Productive Office *The challenge of working from home*

Home Office: Profitable Office

Workshop Duration: 3 hours

Workshop Description

Whether you work from your home's living room, a closet-turned-office, or an office in an apartment, you frequently find yourself faced with a barrage of interruptions: the doorbell, the phone, not to mention the kids and the dog. And work is the thing that happens between the laundry and the housecleaning.

Who Should Attend

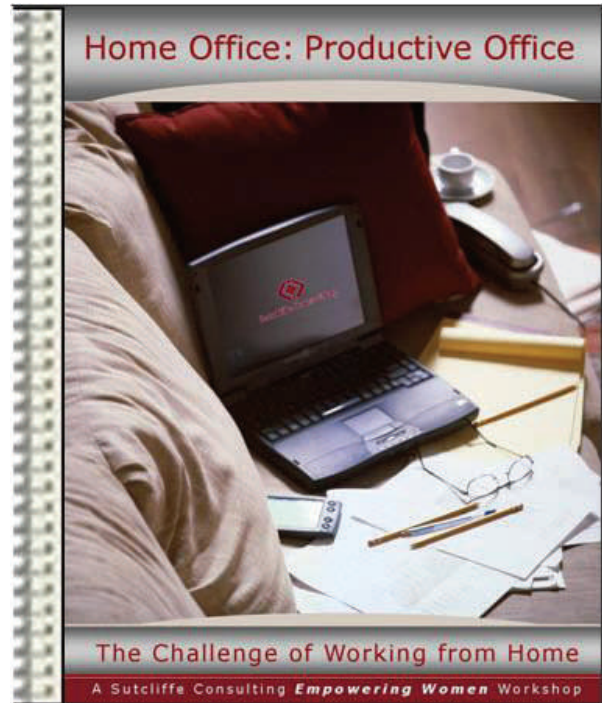

Women who own home-based businesses.

What You Will Learn

- How to create "business boundaries"
- How to motivate and organize yourself
- Create a truly organized and efficient home office

At the end of this workshop, you will be equipped to:

- Work productively
- Use your time realistically.
- Set priorities and stick to them
- Manage yourself and others
