Workshop: Marketing For Results

A 12 Month Plan to Grow your Sales

Marketing for Results

Workshop Duration: 1 day

Workshop Description

There are two reasons why businesses fail to realize their potential: first, they may not have a plan to reach their market 12 months of the year and second, if they do have a plan in place they fail to carry it out. This is usually the result of a lack of understanding about how to design a marketing plan and to realize the financial benefits that result.
